Dear *Leader Name*

Your Group: *Group Name*

Welcome to Poacher 2008 and the Ocean Sub-Camp. If you camped with us on the Comedy Sub-Camp in 2004, welcome back. If you are new to Poacher or our sub-camp, welcome to you. As your sub-camp team, it is our job to ensure that you and your group have a successful camp and you have the best experience from Poacher 2008.

Over the coming months, we will write again with more specific information including such things as sub-camp activities etc. In the meantime, please could you tell us the amount and type of tentage that you are likely to be bringing. This will help us with campsite planning, making sure that all groups have enough space.

There are a couple of things that need clarifying from a recent mailing that you should have received from Poacher Admin. Firstly, you need to provide 3 copies of every health form. The reason for this is so that you have a copy, the sub-camp has a copy and the medical post also has a copy (3 copies in total). Also, you need to post in passport photos of any 16+ people camping with you and also any under 10s. This is so that their passes can be prepared before you arrive at Poacher. The passport photos for the 10-16 year olds must be brought with you when you arrive at Poacher as you will need to stick them to their activity passports on arrival.

Also, day visitors are not permitted at Poacher 2008. However, this does not apply to any members of either association who may be helping you cater (for example) or swapping shifts with other leaders etc. If you have any questions, please contact us on either the above phone numbers, or through our email address.
