

Global Adventure

Poacher is renowned for the number of quality activities to suit all ages and tastes. The more adventurous range from sub aqua, parascending, gliding, high ropes to the Black Hole and quad bike trekking. The water village is always a favourite, especially as it is going to be sunny. Stay in touch with the outside world in the internet café or design and print your own postcard to send home. The bungee trampolines are back, but we have Swinging Gyms as well. The craft booths will be bustling again as everyone prefers to make their presents and souvenirs. If you like getting your hands dirty try an action project, helping the wild life in the area. Think you could handle zorbing? Do you want to go on an organised trip? Can you juggle, walk on stilts, ride a horse or BMX bike, rock climb

..... Don't forget to register for the Global Adventure Award, details will be in the first camp Newspaper.

Your passport to an unforgettable, action packed week

A unique **Activity Passport** and **Ticketing System** is used to allocate each camper with a range of activities throughout the week. At the start of the camp you will receive a **passport**, which has your identification and photographs, and shows the few, if any, activities you are not allowed to take part in (as taken from the consent form). Marking it this way prevents tampering. The same bag will contain a selection of self-adhesive **activity tickets** on a backing sheet, which will indicate; the activity, location, allocated place number, day and time. Only tickets which are stuck in the passport are valid, but this allows swapping in the mean time within your permitted range. Additional tickets may become available and will be distributed on your subcamp or from the activity centre. Some activities require special clothing or equipment, so please check well in advance.

Special clothing or equipment required for activities

Canoeing, Sailing, Rafting

Shorts, cagoule, towel, non-slip footwear and a complete change of clothes.

Every evening, from 7pm to 10pm in the **Ozone**, the Entertainments Team will be heading up an action packed party to remember, with planned events including themed nights; a foam party, night of light, beach party, live acts and much more. This will all be set against a festival atmosphere around the venue with live street entertainment

Throughout the week we will once again be offering participants the chance to show off their skills in the '**Poacher's Got Talent**' competition, with heats running everyday, culminating in the live performance during the Closing Ceremony. This is not just a singing competition this time so come down and show us your talent - anything from dancing and juggling to magic and mayhem! Bring along your instruments, bring your own backing tape if required, but rehearse your show before you come.

The **cinema** will be showing two films during the day and one each evening.
